

PEÑA Perlato is a veil of pearly finish with two possibilities of color, gold or silver, which brings a unique beauty to the walls where it is applied. It is manufactured with aqueous emulsions and pearlescent pigments resistant to the weather, stable to the light, with good resistance and washable.

Its application and finish on smooth paints is perfect, leaving a silky look that brings great beauty to the walls. Its fineness in particles does not cover the bottom in its entirety, creating a veiling effect.
